**Subject:** Follow Up Conversation- City of Maquoketa TBA

Good afternoon Mel and Shelly,

Thank you again for participating in the call last week on the City of Maquoketa's TBA application submitted to EPA. I have a much better understanding of the background of the TBA request. However, I would like to be sure that I have all my facts straight. Would you be willing to participate in a short, small meeting next week? It would be just me and Kristen Nazar (EPA Counsel). Please let me know if I should reach out to someone else at IDNR.

I am hoping to solidify my understanding of the City's participation in IDNR's voluntary cleanup program.

Have a nice weekend,

**Lisa Dunning**
